Let **NEARM** help you get the most out of your practice, multiply profits, and increase the time you spend on what's important - your patients.

NEARM represents clinicians in 20 different specialties, and employs 15 highly-experienced, U.S. based healthcare industry professionals.

Do You Have One of These Problems?

5 Most Common Denial Reasons:

- Patient insurance not updated
- Incorrect use of DX code combos
- Misuse of code order and add ons
- Clinician credentialing
- Lack of biller expertise

5 Ways Doctors Throw Money Down The Drain:

- Not checking patient insurance every visit
- Not addressing denials timely
- Not updating CPT books annually
- Not calling insurers for status
- Not being properly credentialed with carriers

Your increased revenue will cover our billing costs, so contact us for your **FREE BILLING today!**
